NOVALIS IRON PROTECTION

Rev.3

Date	Revision	Description
21/02/05	3	Change of legal address
15/04/03	2	Update in accordance with the XXVIII change of the Dir. 1999/45/CE
09/04/02	1	Updated in accordance with the Dir 2001/58/CE
16/09/02	0	Published

1 Identification of company and product

Product Name: NOVALIS IRON PROTECTION

Product Description: Transparent, water based coating for the protection of metal surfaces.

Company: OIKOS S.R.L. – Via Cherubini, 2
47043 Gatteo Mare (FC)
Tel. 0547/681412 – Fax 0547/681430

Emergency Telephone N°: 0547/681412

2 Composition/Information on Ingredients

Dangerous Components:

3 Danger Identification

The product does not result as being dangerous in accordance with Directive 1999/45/CE and following amendments.

Classification of the product: /

Indication of specific dangers for humans and the environment: Prolonged contact could cause light irritation to skin and eyes.

4 First aid measures

Immediate medical assistance is not necessary

Inhalation: Breathe fresh air. Consult a doctor should respiratory problems persist.

Eye contact: Rinse thoroughly and persistently with fresh water, it is better if the water is a sugar water solution, keeping the eyes wide open, if irritation persists, seek medical advice.

Ingestion: Drink plenty of water, consult a doctor. Never give anything to be taken orally to a person who is unconscious

SAFETY DATA SHEET

(In accordance with directive 2001/58/CE)

NOVALIS IRON PROTECTION

Rev.3

5 Anti incendiary Measures

Ideal means of extinction: Use suitable means to surround and extinguish the fire (eg. CO₂, foam, water mist, powder).

Means of extinction indicated as inappropriate for safety reasons. None

Products/gas from thermal decomposition: /

Special protection systems for fire fighting personnel:

6 Accidental spill or leak handling information

Individual precautions: Floors may become slippery; use care to avoid falling. Equip oneself with protective clothing.

Environmental precautions: Avoid the infiltration of surface water courses or sewer networks.

Means of Intervention: Contain leaks with inert material (sand, sawdust, etc.). Transfer the product in separate containers for its recovery or disposal. Wash thoroughly with water.

7 Storage and handling

Handling: Avoid contact with the eyes and skin. When the product is not in use, keep containers closed

Storage: Keep containers closed. Keep from freezing. Do not store the material at temperatures lower than +2°C, or in excess of +36°C.

8 Personal protection./exposure controls.

Exposure limit Information: Data not available.

Controls on professional exposure:

- **Protection of the respiratory system:** Not necessary.
- **Hand protection:** Protective gloves.
- **Eye protection:** Safety glasses.
- **Skin protection:** Use protective clothing.

Controls on environmental exposure: /

NOVALIS IRON PROTECTION

Rev.3

9 Chemical and physical properties

Appearance	Milky liquid
Colour	Milky
State	Liquid
Odour	Characteristic
pH	8,0-9,0
Boiling point/interval	Data not available
Flash point	Data not available
Flammability	Data not available
Explosive properties	Data not available
Combustion properties	Data not available
Vapour pressure	Data not available
Relative density	1,0
Solubility	Mixable in water
Coefficient of Octanol/Water partition	Data not available
Viscosity	1.000 cps
Vapour density	Data not available
Speed of evaporation	Data not available

10 Stability and reactivity

Conditions to avoid:/

Materials to avoid: There are no known materials that are incompatible with this product

The result of dangerous decomposition: The product does not cause dangerous polymerisation.

11 Toxicological Information

Toxicity through inhalation: No data available.

Toxicity through ingestion: No data available.

Skin irritation: No data available.

Eye irritation: No data available.

Further Information:/ See article 3

12 Ecological Information

Eco-toxicity of the product: Data not available.

Mobility, persistence, degradability and potential for bioaccumulation of the components:/

Further Information: Use according to good working practices, avoid dispersion into the environment. Do not introduce the product into the water table, surface water courses or into the sewer network.

SAFETY DATA SHEET

NOVALIS IRON PROTECTION

Rev.3

13 Remarks on disposal

Disposal: The remainder of the product, waste deriving from the use of the product and the empty containers must be disposed of in accordance with the applicable state or regional regulations

14 Transport Information

Classification for transportation by road or rail. (ADR/RID):

Classification for transportation by sea (IMO/IMDG):

Classification for transportation by air (IATA/ICAO):

(No particular transport conditions exist.)

15 Information on the regulations

The product is classified according to directive 1999/45/CE updated to amendment N° XXVIII .
